WINE NOTES

In a wine defined by its restraint and focus, Moon Mountain Vineyard reveals its truest character. The 2021 growing season challenged us with limited yields, yet rewarded our patience with fruit of remarkable depth and purity. This seventh vintage of Momtazee unites our best barrels of Cabernet Sauvignon, Merlot, Cabernet Franc, and Malbec in a blend that is both rich and refined. Elevated by aging in 100% new French oak, Momtazee emerges with exceptional depth and structure, built for extended cellaring potential. Consistent with each preceding vintage, 2021 Momtazee embodies our enduring commitment to craft wines of place and purpose, capturing the essence of a classic year at Moon Mountain Vineyard.
