WINE NOTES

Perched high above the fog line at over 1,800 feet, the Cabernet Franc vines at Moon Mountain Vineyard continue to produce wines of remarkable character and clarity. The 2022 vintage, marked by a slightly warmer growing season, brought a touch more opulence to our Cabernet Franc, amplifying its vibrant fruit expression while preserving the poise and structure that define this singular site.

On the palate, the 2022 Cabernet Franc is generous yet composed — silky tannins frame the wine without constraint, offering a supple texture and enduring finish. While often cast in a supporting role, Cabernet Franc takes center stage in this bottling with confidence and clarity, offering a vivid expression of place and vintage.
