WINE NOTES

The dramatic elevation of Moon Mountain Vineyard unveils Merlot's extraordinary potential in this unique terroir, delivering exceptional depth and complexity that rivals our estate Cabernet Sauvignon. This bold wine embodies our high-altitude site, where organic practices and volcanic terrain unite to create remarkable finesse and strength. While offering Merlot's signature silky mouthfeel, this bottling transcends expectations. Enhanced with a touch of Malbec and Cabernet Sauvignon, and refined through extensive maturation in premium French oak, it perfectly captures our mountain-grown fruit intensity. As a testament to its distinguished origins, our Merlot possesses impressive longevity, promising continued evolution throughout the decade ahead.
