WINE NOTES

After years of exploring individual blocks and specially selected barrels of Cabernet Sauvignon, we return to our founding vision: a singular expression that speaks to the full character of our estate's ancient volcanic hillsides.

This wine represents both a homecoming and a defining moment forward. It is the only Cabernet Sauvignon we will craft from Moon Mountain Vineyard, uniting the topographical diversity and heritage clones that make this site so compelling into one bottling. The 2023 vintage showcases the remarkable balance that defines our terroir — plush fruit and refined tannins married to the distinctive rusticity that is the hallmark of Moon Mountain Vineyard.

Earthy and dense yet elegant, this wine reveals layers of concentrated dark fruit complemented by the structured minerality born of volcanic soils. It embodies the timeless style we've pursued since our earliest vintages: complex, age-worthy, and uncompromising in its sense of place.

WINEMAKING

Blend	98% Cabernet Sauvignon, 2% Cabernet Franc
Farming	100% organic, CCOF certified
Aging	21 months in 70% new French oak
Cellaring	15+ years
